Graduating 4-H Members

2008 Nomination Forms are due to the UW Extension office by September 8.

Members may graduate from 4-H if they have graduated from high school. However, youth will continue to be eligible for membership through the next 4-H year following their graduation from high school (i.e. if you graduated from high school in June 2008 can continue as a 4-H member in 2008-2009 regardless of their age.) Certificates/pins will be prepared based on forms received in the office.
